**Sub:** Budget expenditure for A Two day workshop on "DATASCIENCE WITH PYTHON" - Reg.

Respected sir,

Department of Computer Science and Engineering organized A Two day workshop on "DATASCIENCE WITH PYTHON" on 23.06.2022 & 24.06.2022 in association with Datapoint Info solutions, Hyderabad. The proposal amount received from Administrative office is Rs: 5000/- on 21.06.2022. Below mentioned amount of Rs: 3970 is expenditure for the workshop. The balance amount of Rs: 1030/- is to be submitted at office. Budget expenditure for the event is mentioned below:

**BUDGET EXPENDITURE**

Sl No.	Name of the Item	Quantity	Rate (Rs.)	Total Cost (Rs.)
1	Tea & Snacks	-	-	1130
2	Banners(6*12)	1	1200	1200
3	Day 1 trainers lunch	2	145	290
4	Day 2 trainers lunch	2	50	100
5	Shawls	2	85	170
6	Bouquets	8	90	630
7	Miscellaneous	-	-	450

## REPORT

A two day workshop on “Data Science with Python” was organized by Department of Computer Science and Engineering in association with Datapoint Info solutions, Hyderabad on **23<sup>rd</sup> June 2022 to 24<sup>th</sup> June 2022**. Around **81 students** from our institution registered and participated in the workshop. Inaugural talk was given by Dr.G.Anil Kumar, Principal. The Resource persons **Mr.Khumender Sinha** and **Mr.Abhishek**, from **Datapoint Info Solutions** has given the mix of theory and practical knowledge of python & data science. Certificates were distributed to the students who participated in the workshop

### INTRODUCTION

The workshop for Data Science with Python introduces you to Python which will kickstart your learning of Python for Data Science, as well as programming in general. Data Science with Python workshop aims at taking you from zero programming in Python in a matter of hours. At the end of this workshop, participants will be able to write their own Python scripts and perform basic hands-on data analysis. Participants will be trained in such a manner that will start creating their own data science projects.

Data Science with Python workshop will enable you to learn these concepts from scratch and help you master important Python programming concepts such as data operations, file operations, object-oriented programming, and various Python libraries such as Pandas, Numpy, Matplotlib essential for Data Science. This workshop will also make you understand the different types of Machine Learning, Recommendation Systems, and many more Data Science concepts to help you get started with your Data Science career.

## WORKSHOP SCHEDULE

### **DAY-I**

- What is Data?
- Application of Data?
- Introduction To Data Science
- What is Data Science?
- Need of Data Science?
- Application of Data Science?
- Data Science Process?
- Different Roles of Data Science
- Prerequisites for Learning Data Science?
- Software Development and Data Science Process?
- What is Machine Learning?
- Application of Machine Learning?
- Tools

### **DAY-II**

- Introduction To Programming?
- Data Analysis with Python
- EDA operation with python

## A TWO DAY WORKSHOP ON "Data Science with Python"

in association with

June 23-24, 2022

Organized by

Department of  
Computer Science & Engineering

SCIENT INSTITUTE OF TECHNOLOGY

( Accredited by NAAC & Affiliated to JNTUH )  
Heathampatnam, R.R Dist, T.S 501506

#### ABOUT THE INSTITUTION

SCIENT Institute of Technology was established in 2001, under the aegis of SCIENT Educational Society aiming to groom the students in technical education with human values. Our Vision is to impart quality education in building Engineering and Management professionals.

We are committed to provide a positive and professional learning environment where all the students are inspired to strive for excellence in becoming competent engineers, technology innovators and leaders in global market through a cohesive network of parents, students, staff and industry.

#### ABOUT THE DEPARTMENT

The Department of Computer Science and Engineering came into existence with the establishment of the institute in 2001 with an intake of 120. Department aims to provide students with strong conceptual foundations and also expose them to the forefront of development in the field of computing. Our goal is to give an Engineering attitude to students building to solve technical problems.

#### ABOUT THE PROGRAM

The main objective of this workshop is to create awareness among students building up their practical skills so that they can understand how to develop simple machine learning models in Python or even build an advanced model for detecting potential bank frauds with effective modern data science.

#### Resource persons

Mr. Khameshwar Sridhar

Sr Software Engineer, Datapoint

Mr. Abhishek

Software Engineer, Datapoint

#### TOPICS TO BE COVERED

Day 1 : Introduction to Data Science

- INTRODUCTION TO DATASCIENCE
- NEED OF DATA SCIENCE
- APPLICATIONS OF DATASCIENCE
- ROLES OF DATA SCIENCE
- PREREQUISITE FOR LEARNING DATA SCIENCE
- SOFTWARE DEVELOPMENT & DATA SCIENCE PROCESS
- APPLICATIONS OF MACHINE LEARNING

Day 2 : Hands-on session

- INTRODUCTION TO PYTHON PROGRAMMING
- DATA ANALYSIS WITH PYTHON
- EDA OPERATION WITH PYTHON
- TOOLS USED FOR DATA ANALYSIS

#### ELIGIBILITY

This workshop is open to all B.Tech students of Computer Science and Engineering.

#### REGISTRATION PARTICULARS

Applications in the prescribed format duly signed by the Head of the institution should reach the convener on or before 21/06/2022. The soft copy of application (scanned copy) can also be sent to the convener.

#### REGISTRATION FEES

No Registration fees

#### REGISTRATION DATES

Last date of receiving applications : 21/06/2022

## A TWO-DAY NATIONAL LEVEL WORK SHOP ON

### "DATA SCIENCE AND ITS APPLICATIONS"

(16-06-2022 to 17-06-2022)

Date: 14.06.2022

Dear Sir/Madam

Sub: Regarding Two Days Workshop - Announcement

It is our pleasure to announce that the Department of Electronics and Communications Engineering, Scient Institute Of Technology is conducting A Two day national level workshop on "DATA SCIENCE AND ITS APPLICATIONS" in association with Data Point Info Solutions, Hyderabad from 16-06-2022 to 17-06-2022. We are pleased to invite you to participate in this workshop for exchange of knowledge and skills related to industrial automation.

Kindly find a copy of the programme brochure attached along with this letter for more details. We request you to kindly arrange for a wide circulation of the information among the students for their active participation.

Thanking you for your kind co-operation and looking forward to participate more from your college. For Any further information and details contact coordinator.

Thanking you,

Yours truly,

(Dr. B. Vishal Raja Zacharias)

## Event Description:

Globally, data scientists are the most sought-after, in-demand profession and almost all industries are actively hiring Data Scientists, so obtaining a Data Science certification is highly recommended. As India is home to several tech companies, the Data Science field offers vast and promising career opportunities. In this fast-growing field, we offer a Data Science training course designed for beginners and professionals. After you complete this Data science course, you will have an in-demand set of skills that are critical to today's career opportunities in:

- Junior/Senior/Associate Data Scientist
- Forecasting/Risk Analyst
- Portfolio Risk Data Scientist
- Forecasting Analyst, Research Analyst, Data Analytics
- Analytics Lead/Manager/Consultant
- Machine Learning Engineer
- Statistical Programming Specialist

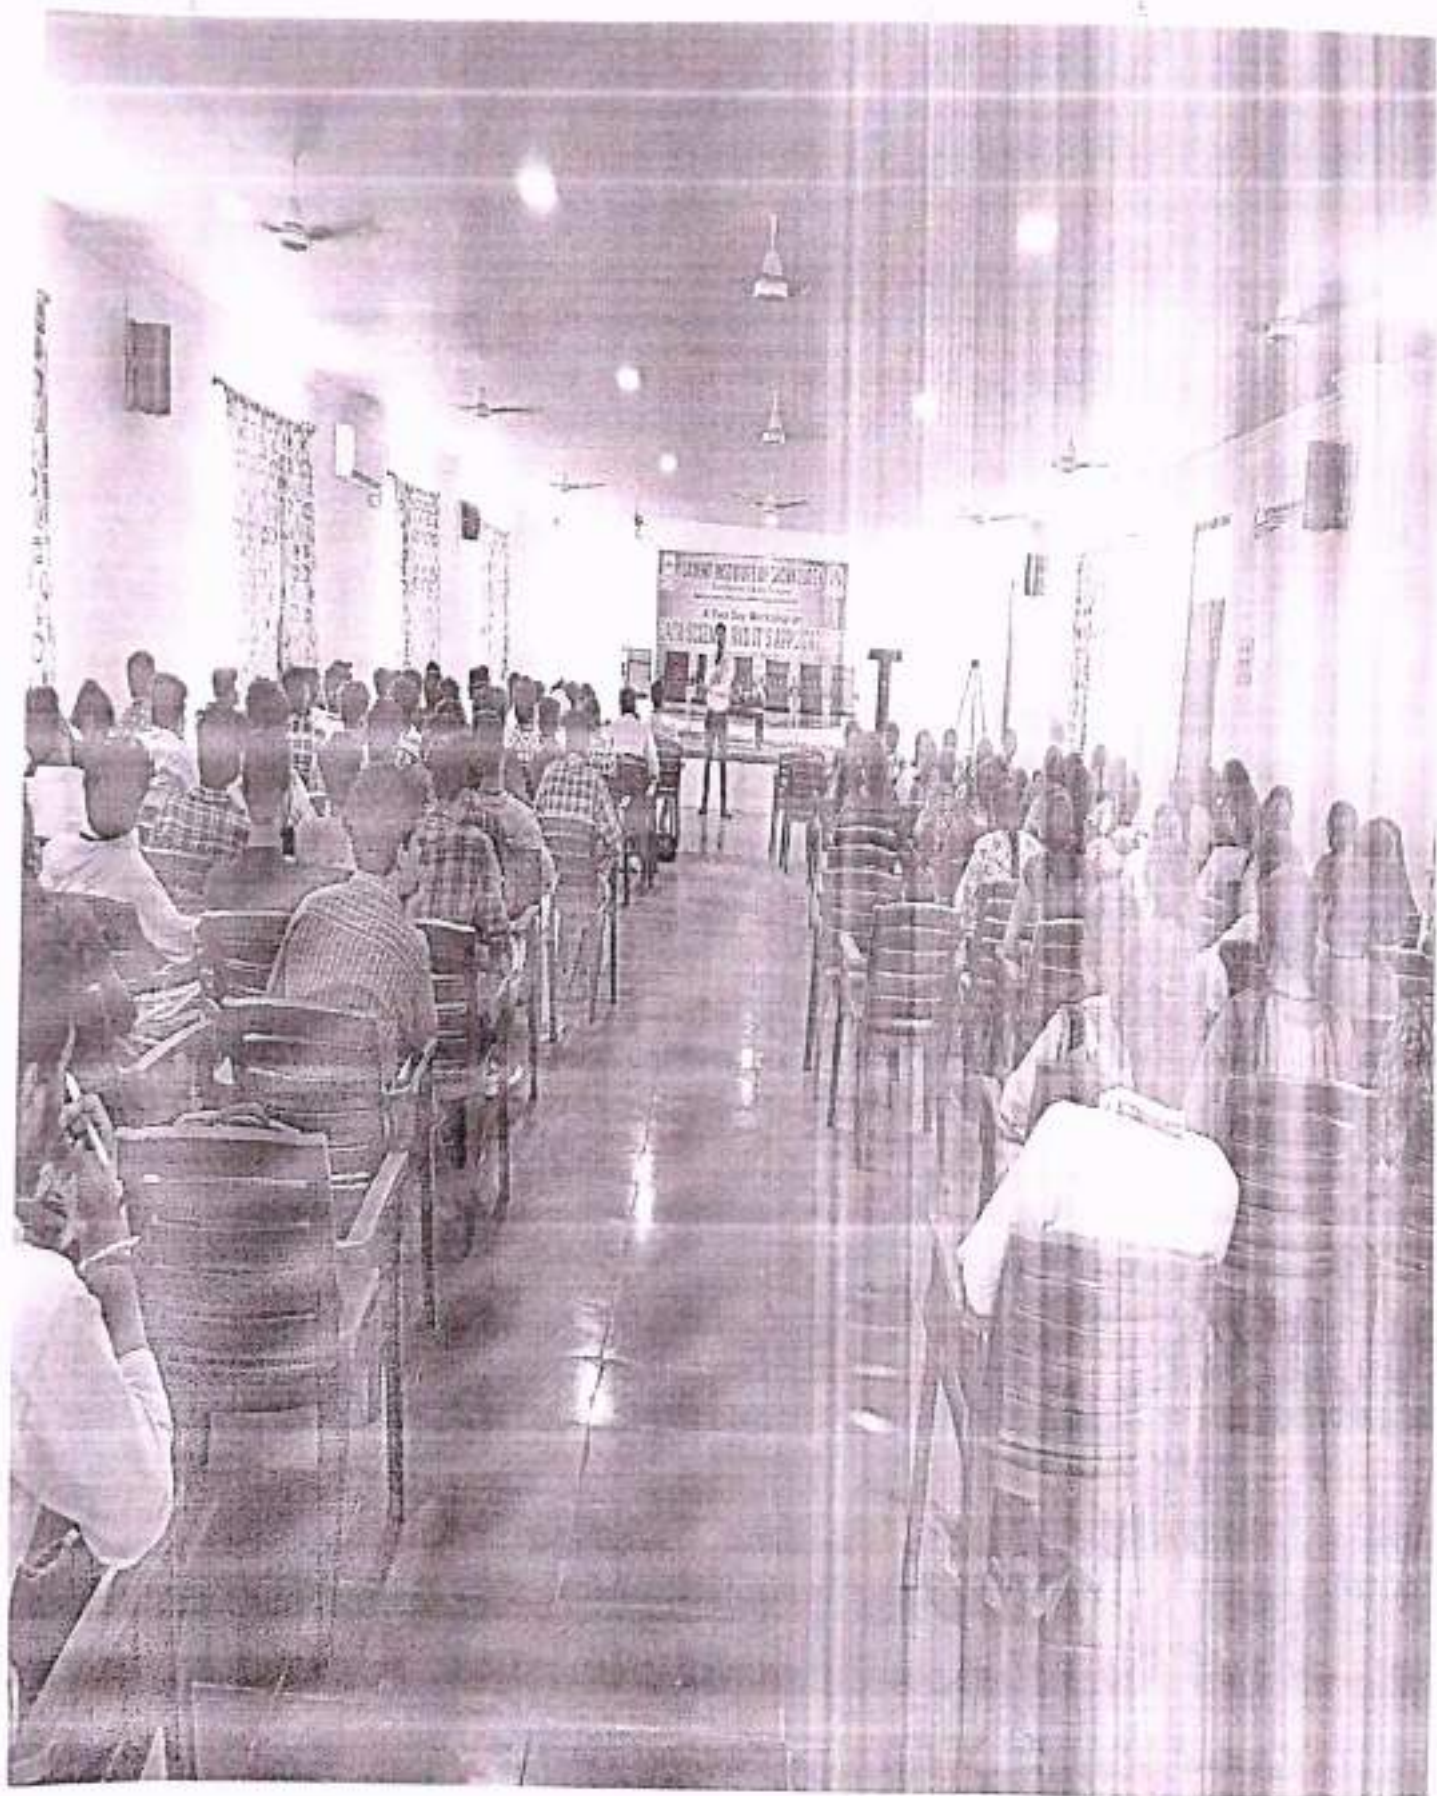

### Details of Resource Person:

Mr. Khumendra Sinha, Senior Software Engineer at Data Point has more than 10 years of experience working with Data & Analytics. He is currently working on problems solving in interesting business in the areas of computer vision and natural language processing with Neural Networks. Specialties: Leadership, Building High Performance Teams, Big Data, Statistical data analysis, Deep Learning, Computer Vision, Natural Language Processing. He is a visiting Faculty with Great Learning and ESCI (Engineering Staff College of India). He has done his Master of Business Administration with Information Systems as my specialization at REC Trich.

### STUDENT FEED BACK about

A Two Day National Level Workshop on

### "DATA SCIENCE and It's APPLICATIONS"

Date: 17/6/2022

COURSE: B.Tech

BRANCH: ECE

YEAR: 1<sup>st</sup>

SEM: 2<sup>nd</sup>

ACADEMIC YEAR: 2021-22

Dear Student,

In an effort of assess the effectiveness and impact of this training workshop, kindly complete the follow evaluation form. Your responses will be invaluable in providing feedback on the overall workshop, identify areas of weakness and help improve the organization of further workshops. Please choose the appropriate op for each session from the options given below.

OPTIONS:    Excellent-5                  Very Good-4                  Good-3                  Average-2                  Poor-1

1	I learned something that I previously did not know	3			
2	The information was present in an easy understand	3			
3	This program was worth my time	2			
4	The variety of material presented allowed for an interesting presentation of information.	3			
5	I could get some basic knowledge about this	4			
6	I learn more from practice session	2			

### SUGGESTIONS:

To

The Principal,

Scient Institute of Technology,

Ibrahimpattam, Hyderabad.

Respected sir,

Sub: Request you to give permission to organize "A 2 day workshop on Cutting Edge Technologies for computer science -IoT & Machine Learning" – Reg.

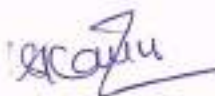

We the Department of CSE wants to organize "A 2 day workshop on Cutting Edge Technologies for computer science -IoT & Machine Learning" in association with "Datapoint Info Solutions" from 11/05/2022 to 12/05/22 for B.Tech 3rd year cse students.

Kindly permit us to organize the workshop.

Please do needful.

Yours Sincerely,

## About the College:

Scient Institute of Technology (SNTI) stood first among several competitors in the year 2001 to achieve the distinction from the state government to establish Engineering Institution in the entire RangaReddy District at Ibrahimpattam, spread over 32 acres of land in a serene surrounding offering quality education equipped with modern laboratories. Affiliated to prestigious Jawaharlal Nehru Technological University, Hyderabad and duly approved by All India Council for Technical Education(AICTE),New Delhi.

## About the Department:

The Department of Computer Science and Engineering came into existence with the establishment of the institute in 2001 with the intake of 60 in UG (B. Tech) and later enhanced to 120 .The PG (M. Tech CSE) intake of 18 . Department aims to provide students with strong conceptual foundations and also expose them to the forefront of development in the field of computing. Our goal is to give an Engineering attitude for confidence building to solve technical problems. The department has highly qualified and experienced faculty members.

## About the Workshop:

The department of Computer Science &Engineering, Scient Institute of Technology has organized a 2-day hands on workshop on Cutting Edge Technologies for computer science -IoT & Machine Learning in association with Datapoint Info Solutions from 11/05/2022-12/05/22. The workshop was inaugurated by Dr.G.Anil Kumar, Principal, Scient Institute of Technology, Dr.Srikanth L, Head Department of CSE by delivering the importanc of IoT and Machine Learning. Mr.P.B. Sabarinath, Technical trainer Datapoint Info Solutions has deliverd use ful insights in IoT & Machine Learning. About 90 students of CSE attended the workshop and made the event a huge success.

## About the College:

Scient Institute of Technology(SNTI) stood first among several competitors in the year 2001 to achieve the distinction from the state government to establish Engineering Institution in the entire RangaReddy District at Ibrahimpattanam, spread over 32 acres of land in a serene surrounding offering quality education equipped with modern laboratories. Affiliated to prestigious Jawaharlal Nehru Technological University, Hyderabad and duly approved by All India Council for Technical Education(AICTE),New Delhi.

## About the Department:

With an aim to make students industry ready – Initially gaps between academic knowledge and technical skills required by the industry are identified and taught with the best blend of teaching.Students trained are emphasized with practical orientation rather than just academics.Our internal faculty plays an important role in the skill development center especially whose background is from industry, who plan and execute different sessions of training on technical skills required by the industry.This imparted training will make students to face the future challenges and make them industry ready. So it would not be limiting to gaining knowledge but also its usage.

## About the Seminar:

Placement Cell of Scient Institute of Technology conducted a 1-day seminar on Career Guidance in association with ICFAI Business School on 20/04/2022. The seminar was inaugurated by Dr.G.Anil Kumar, Principal, Scient Institute of Technology, G.Maruthy Raju, placement officer by providing helpful points which were beneficial to the students. Suresh Takasi, Senior Manager, ICFAI Business School gave clear explanation along with valuable suggestions on how to chose the right career path to the students About 120 students of the final year attended the seminar and made the most of it.

## About the College:

Scient Institute of Technology(SNTI) stood first among several competitors in the year 2001 to achieve the distinction from the state government to establish Engineering Institution in the entire Rangareddy District at Ibrahimpattanam, spread over 32 acres of land in a serene surrounding offering quality education equipped with modern laboratories. Affiliated to prestigious Jawaharlal Nehru Technological University, Hyderabad and duly approved by All India Council for Technical Education(AICTE),New Delhi.

## About the Department:

The department of ECE was established in 2001 with an intake of 60 students in the UG Programme. The Department also runs Post-Graduate programme M.Tech (VLSI & Embedded systems), with a total intake of 36 students.The department has highly qualified and experienced faculty with four professors, one associate professor and twelve assistant professors and five academic assistants.The department has good infrastructure facilities and is equipped with full-fledged laboratories. The department also has full-fledged audio-visual facilities for effective teaching. The staffs members are deputed to participate in workshops, conferences and refresher courses to keep in place with recent developments in the field of Electronics & Communication Engineering under faculty development programme.As a part of the curriculum, Industrial visits are arranged for students to upgrade their skill and knowledge.

## About the Workshop:

The department of ECE, Scient Institute of Technology has organized a 3-day hands on workshop on Design of GUI Using MATLAB in association with Telangana Academy for Skill & Knowledge from 05/04/2022 to 07/04/2022. The workshop was inaugurated by Dr.G.Anil Kumar, Principal, Scient Institute of Technology, G.Naresh, Assistant Professor, CSE prepared and oriented the students for the workshop.. G. Uma & R.Suresh,Technical Trainer has imparted the fundamentals and techniques on how to properly design GUI using MATLAB. About 43 students from the final year of ECE attended the workshop and utilized the opportunity to learn it thoroughly.

Affiliated to prestigious Jawaharlal Nehru Technological University, Hyderabad and duly approved by All India Council for Technical Education(AICTE),New Delhi.

## About the Department:

The Department of Electrical and Electronics Engineering was established in the year 2001. The Department offers under graduate programme in Electrical and Electronics Engineering (intake 60) .The Department is well equipped laboratories for suitable instructions and hands on experience As per AICTE Norms. The Department has experienced and well qualified faculty members with over ten years of teaching experience. Seminars and workshops are conducted to improve and encourage The inherent talent of students. The Department has a well-equipped library with reference books, journals, magazines and CD also.

## About the Workshop:

The department of Electrical and Electronics Engineering, Scient Institute of Technology has organized a 3-day hands on workshop on Control systems Using MATLAB in association with Vermac Labs from 14/03/2022 to 16/03/2022. The workshop was inaugurated by Dr.G.Anil Kumar, Principal, Scient Institute of Technology, P.Suresh, Assistant Professor, CSE by emphasizing the significance of control systems using MATLAB. Shyam Agarwal VL,Vermac Labs systematically dealt with concepts of control systems using MATLAB. About 34 students from the final year of EEE attended the workshop which positively impacted them and equipped them with adequate knowledge.

## About the College:

Scient Institute of Technology (SNTI) stood first among several competitors in the year 2001 to achieve the distinction from the state government to establish Engineering Institution in the entire RangaReddy District at Ibrahimpattanam, spread over 32 acres of land in a serene surrounding offering quality education equipped with modern laboratories. Affiliated to prestigious Jawaharlal Nehru Technological University, Hyderabad and duly approved by All India Council for Technical Education (AICTE), New Delhi.

## About the Department:

The Department of Computer Science and Engineering came into existence with the establishment of the institute in 2001 with the intake of 60 in UG (B. Tech) and later enhanced to 120. The PG (M. Tech CSE) intake of 18. Department aims to provide students with strong conceptual foundations and also expose them to the forefront of development in the field of computing. Our goal is to give an Engineering attitude for confidence building to solve technical problems. The department has highly qualified and experienced faculty members.

## About the Workshop:

The department of Computer Science & Engineering, Scient Institute of Technology has organized a 2-day hands on workshop on Android App development in association with Idea Labs from 9/03/22 to 10/03/22. The workshop was inaugurated by Dr.G.Anil Kumar, Principal, Scient Institute of Technology, K.Anoosha, Assistant Professor, CSE by declaring the relevance of the workshop in the near future. Ajay R, Trainer Idea Labs demonstrated the practical implementation of the workshop. About 75 students of CSE attended the workshop and made the event a huge success which was commendable.

## About the College:

Scient Institute of Technology (SNTI) stood first among several competitors in the year 2001 to achieve the distinction from the state government to establish Engineering Institution in the entire Rangareddy District at Ibrahimpattanam, spread over 32 acres of land in a serene surrounding offering quality education equipped with modern laboratories. Affiliated to prestigious Jawaharlal Nehru Technological University, Hyderabad and duly approved by All India Council for Technical Education (AICTE), New Delhi.

## About the Department:

R&D Cell which aims to nurture research culture in the College by promoting research. It encourages the students and faculty to undertake the research in newly emerging frontier areas including multidisciplinary fields. This enhances the general research capability of budding technocrats. In order to promote research and development activities, the institute extends its full support to students/ faculty/ staff. The college encourages students, faculty and staff to participate in Conferences, Training programs. The institution has a research and development committee in addition to state of art technology R & D cell facilities to facilitate and monitor research activities.

## About the Seminar:

The R & D Cell, Scient Institute of Technology has conducted a 1-day seminar on Threats and Challenges to Good Research in association with Siddhartha Institute of Engineering & Technology on 8/2/2022. The seminar was inaugurated by Dr.G.Anil Kumar, Principal, Scient Institute of Technology, K.Venkat Reddy, Assistant Professor, CSE by highlighting the significance of the workshop. Dr.V.Bhagya Raju, Professor, Siddhartha Institute of Engineering & Technology effectively taught the students about the threats and challenges concerning research work. About 54 students from MBA attended the workshop and it was a successful program.

Sub: Permission letter – Conduct- Two Day National Level Workshop on Internet of Things and its Applications– Req. – Reg.

Sir,

In accordance to subject cited above, I am Dr. B. Vishal Raja Zacharias, Head, Department of Electronics and Communication Engineering here with this letter to permit us to conduct Two Day National Level Workshop on "Internet of Things and its Applications" during 1<sup>st</sup> December 2021 & 2<sup>nd</sup> December 2021. I also request you to provide all the needed facilities.

  
Yours Sincerely,

Dr. B. Vishal Raja Zacharias ,  
HoD, ECE

## A TWO-DAY NATIONAL LEVEL WORKSHOP ON

## "INTERNET OF THINGS (IoT) AND ITS APPLICATIONS" (01-12-2021 to 02-12-2021)

Date: 30.11.2021

Dear Sir/Madam

Sub: Regarding Two Days Workshop -Announcement

It is our pleasure to announce that the Department of Electronics and Communication Engineering, SCIENT INSTITUTE OF TECHNOLOGY is conducting A Two day national level workshop on "Internet of Things and its Applications" in association with Data Point Info Solutions, Hyderabad from 01-12-2021 to 02-12-2021. We are pleased to invite you to participate in this workshop for exchange of knowledge and skills related to industrial automation.

Please find a copy of the programme brochure attached along with this letter for more details. We request you to kindly arrange for a wide circulation of the information among the students for their active participation.

Thanking you for your kind co-operation and looking forward to participate more from the college. For Any further information and details contact coordinator.

Thanking you,

  
Yours Sincerely,

## ABOUT THE COLLEGE

SCIENT Institute of Technology was established in 2001, under the aegis of SCIENT Educational Society aiming to groom the students in technical education with human values.

Our Vision is to impart quality education in building Engineering and Management professionals striving for a symbiosis of innovative technological excellence, research and human values with global standards to meet skills, knowledge and behavior of industry and societal needs.

We are committed to provide a positive\* and professional learning environment where all the students are inspired to strive for excellence in becoming competent engineers, technology innovators\* and leaders in global market through a cohesive network of parents, students, staff and industry.

## ABOUT THE DEPARTMENT

The department of Electrical and Electronics Engineering was established in 2002 with an annual intake of 60 students. The department has well equipped laboratories, highly qualified, experienced and dedicated faculty to full fill aspirations of students and provides excellent facilities for learning. The objective of department is to possess strong educational footing in Science, Mathematics and Electrical Engineering which is essential in making successful careers in Higher Education/ Research/ Industry and will understand the professional responsibility in modern Electrical Power and Energy related Industry through global requirements.

a platform to work on, in near future.

## ABOUT THE PROGRAMME

The main objective of this workshop is to make aspiring engineers acquainted with conceptual as well as practical knowledge of the Internet of Things being used to achieve industrial needs. This workshop gives a broad perspective and stretches the learning capabilities, rise over the curricular scholastics, make competent, and acquire contemporary knowledge of miniaturized Internet of Things, though most university curriculums have not yet attempted to expose the student towards this arena, as part of our proactive teaching-learning programme in Electrical Engineering propels us to come-up with these mind boggling workshops.

### RESOURCE PERSONS

Mr. P Shiva Kumar  
Mr. S. Viplav

### TOPICS TO BE COVERED

Day -I Schedule: Training on Programming;

- Introduction to IoT
- What is IoT
- Why IoT
- Components Required
- Introduction to Arduino
- ATMEGA328 P Architecture
- Introduction to Arduino Sketch IDE & Arduino programming
- Thing speak creation for IoT
- Practice on Arduino
- Interfacing of I/O with Arduino
- Integrating Sensors & Reading Environmental Physical Values

## Day-2 Schedule: Hands on Practice:

- How to design various projects related to IoT.
- Discussion on Real time examples
- Hardware Interfacing with Arduino
- Programming on Arduino
- IoT Accessing by using Arduino
- How to send data to the webserver and talk to the Cloud.
- How to read data from webserver.
- Output verification
- Doubts clarification

### ELIGIBILITY

This workshop is open to all B.Tech and M.Tech students of Electronics and Communication Engineering and allied areas of Engineering branches approved by AICTE and professionals from R&D Organizations.

### REGISTRATION PARTICULARS

Applications in the prescribed format duly signed by the Head of the institution should reach the convener on or before 29/11/2021. The soft copy of application (scanned copy) can also be sent to the convener.

### REGISTRATION FEE

No Registration Fee

### IMPORTANT DATES

Last date of receiving applications for participation: 29/12/2021.

### ACCOMMODATION

Accommodation will be provided to the external participants on payment basis with prior request.

### Event Description:

The main objective of this workshop is to make aspiring engineers acquainted with conceptual as well as practical knowledge of the Internet of Things being used to achieve industrial needs. This workshop gives a broad perspective and stretches the learning capabilities, rise over the curricular scholastics, make competent, and acquire contemporary knowledge of miniaturized Internet of Things, though most university curriculums have not yet attempted to expose the student towards this arena, as part of our proactive teaching-learning program in Electrical Engineering propels us to come-up with these mind boggling workshops.

Experts from academia and Industry have been invited to deliver lectures about the current and emerging trends in IoT. The workshop will focus on both theoretical as well as hands-on experience in IoT Technology to interface the things for different applications using Raspberry Pi/Arduino/Intel Galileo or ESP8266 toolkits with devices Such as LEDs, sensors, actuators etc. Theoretical session will be conducted in the morning hours and practical sessions in the afternoon. At the end, a small project will be given to the students as a task and the winners will be awarded certificate of participation.

Dear Student,

In an effort to assess the effectiveness and impact of this training workshop, kindly complete the following evaluation form. Your responses will be invaluable in providing feedback on the overall workshop, identifying areas of weakness and help improve the organization of further workshops. Please choose the appropriate option for each session from the options given below.

**OPTIONS:**    Excellent-5    Very Good-4    Good-3    Average-2    Poor-1

1	I learned something that I previously did not know	5			
2	The information was present in an easy understand	5			
3	This program was worth my time	5			
4	The variety of material presented allowed for an interesting presentation of information.	5			
5	I could get some basic knowledge about this	5			
6	I learn more from practice session	5			

**SUGGESTIONS:**

## About the College:

Scient Institute of Technology(SNTI) stood first among several competitors in the year 2001 to achieve the distinction from the state government to establish Engineering Institution in the entire RangaReddy District at Ibrahimpattanam, spread over 32 acres of land in a serene surrounding offering quality education equipped with modern laboratories. Affiliated to prestigious Jawaharlal Nehru Technological University, Hyderabad and duly approved by All India Council for Technical Education(AICTE),New Delhi.

## About the Department:

R&D Cell which aims to nurture research culture in the College by promoting research. It encourages the students and faculty to undertake the research in newly emerging frontier areas including multidisciplinary fields. This enhances the general research capability of budding technocrats. In order to promote research and development activities, the institute extends its full support to students/ faculty/ staff.The college encourages students, faculty and staff to participate in Conferences, Training programs. The institution has a research and development committee in addition to state of art technology R & D cell facilities to facilitate and monitor research activities.

## About the Seminar:

The R & D Cell, Scient Institute of Technology has conducted a 1-day seminar on Importance of Entrepreneurship in association with Edwisely on 11/11/2021. The seminar was inaugurated by Dr.G.Anil Kumar, Principal, Scient Institute of Technology, Dr.Y.Srinivas Reddy, Associate Professor, MBA stressing the importance of entrepreneurship. Dr. Harsha Kankanala, Founder at Edwisely created the awareness and rendered session pertaining to entrepreneurship and its importance. About 78 students from MBA attended the seminar and contributed to its success.

## About the College:

Scient Institute of Technology(SNTI) stood first among several competitors in the year 2001 to achieve the distinction from the state government to establish Engineering Institution in the entire RangaReddy District at Ibrahimpattanam, spread over 32 acres of land in a serene surrounding offering quality education equipped with modern laboratories. Affiliated to prestigious Jawaharlal Nehru Technological University, Hyderabad and duly approved by All India Council for Technical Education(AICTE),New Delhi.

## About the Department:

R&D Cell which aims to nurture research culture in the College by promoting research. It encourages the students and faculty to undertake the research in newly emerging frontier areas including multidisciplinary fields. This enhances the general research capability of budding technocrats. In order to promote research and development activities, the institute extends its full support to students/ faculty/ staff.The college encourages students, faculty and staff to participate in Conferences, Training programs. The institution has a research and development committee in addition to state of art technology R & D cell facilities to facilitate and monitor research activities.

## About the Workshop:

The R & D Cell, Scient Institute of Technology has organized a 1-day hands on workshop on Core Methods in Research Methodology in association with Gurunanak Group of Institutions on 9/11/2021. The workshop was inaugurated by Dr.G.Anil Kumar, Principal, Scient Institute of Technology, B,Ramya Sree, Assistant Professor, CSE gave the introduction in order to gear up the students for the workshop. Dr. Ramana Rao, R& D head, Gurunanak Group of Institutions taught the various methods commonly used in research methodology. About 55 students of CSE attended the workshop and were greatly benefitted by it.

## About the College:

Scient Institute of Technology(SNTI) stood first among several competitors in the year 2001 to achieve the distinction from the state government to establish Engineering Institution in the entire Rangareddy District at Ibrahimpattanam, spread over 32 acres of land in a serene surrounding offering quality education equipped with modern laboratories. Affiliated to prestigious Jawaharlal Nehru Technological University, Hyderabad and duly approved by All India Council for Technical Education(AICTE),New Delhi.

## About the Department:

The Department of Computer Science and Engineering came into existence with the establishment of the institute in 2001 with the intake of 60 in UG (B. Tech) and later enhanced to 120 .The PG (M. Tech CSE) intake of 18 . Department aims to provide students with strong conceptual foundations and also expose them to the forefront of development in the field of computing. Our goal is to give an Engineering attitude for confidence building to solve technical problems. The department has highly qualified and experienced faculty members.

## About the Workshop:

The department of Computer Science &Engineering, Scient Institute of Technology has organized a 5-day hands on workshop on Fundamentals of Python with Django in association with Telangana Academy for Skill & Knowledge from 21/09/2021-25/09/2021. The workshop was inaugurated by Dr.G.Anil Kumar, Principal, Scient Institute of Technology, SMD.Shafiulla, Assistant Professor, CSE by speaking about the importance of learning the fundamentals of Python with Django. V.Rakesh Reddy, Technical Trainer, Telangana Academy for Skill & Knowledge set up the foundation and trained the students to get familiar with the fundamentals of Python. About 98 students of CSE attended the workshop which aided the students to get the required knowledge.

## About the College:

Scient Institute of Technology(SNTI) stood first among several competitors in the year 2001 to achieve the distinction from the state government to establish Engineering Institution in the entire RangaReddy District at Ibrahimpattam, spread over 32 acres of land in a serene surrounding offering quality education equipped with modern laboratories. Affiliated to prestigious Jawaharlal Nehru Technological University, Hyderabad and duly approved by All India Council for Technical Education(AICTE),New Delhi.

## About the Department:

With an aim to make students industry ready – Initially gaps between academic knowledge and technical skills required by the industry are identified and taught with the best blend of teaching.Students trained are emphasized with practical orientation rather than just academics.Our internal faculty plays an important role in the skill development center especially whose background is from industry, who plan and execute different sessions of training on technical skills required by the industry.This imparted training will make students to face the future challenges and make them industry ready. So it would not be limiting to gaining knowledge but also its usage.

## About the Seminar:

Placement Cell of Scient Institute of Technology has organized a 1-day seminar on How to become an Entrepreneur? in association with NI-MSME on 20/10/2021. The seminar was inaugurated by Dr.G.Anil Kumar, Principal, Scient Institute of Technology, G.Maruthy Raju, placement officer by providing helpful points which were beneficial to the students. B.Venkateswarlu, NI-MSME taught important lessons for thriving in business and shared tips to become a successful entrepreneur. About 112 students of the final year attended the seminar and made the most of it.

## About the College:

Scient Institute of Technology(SNTI) stood first among several competitors in the year 2001 to achieve the distinction from the state government to establish Engineering Institution in the entire RangaReddy District at Ibrahimpattam, spread over 32 acres of land in a serene surrounding offering quality education equipped with modern laboratories. Affiliated to prestigious Jawaharlal Nehru Technological University, Hyderabad and duly approved by All India Council for Technical Education(AICTE),New Delhi.

## About the Department:

R&D Cell which aims to nurture research culture in the College by promoting research. It encourages the students and faculty to undertake the research in newly emerging frontier areas including multidisciplinary fields. This enhances the general research capability of budding technocrats. In order to promote research and development activities, the institute extends its full support to students/ faculty/ staff.The college encourages students, faculty and staff to participate in Conferences, Training programs. The institution has a research and development committee in addition to state of art technology R & D cell facilities to facilitate and monitor research activities.

## About the Seminar:

The R & D Cell, Scient Institute of Technology has organized a 1-day seminar on Innovation and entrepreneurship in good health and well being in association with NI-MSME on 2/10/2021. The seminar was inaugurated by Dr.G.Anil Kumar, Principal, Scient Institute of Technology, Dr.Y.Srinivas Reddy, Associate Professor, MBA mentioning the relationship among innovation, entrepreneurship in good health.. G. Sudarshan, Faculty, NI-MSME focused on the impact of innovation and entrepreneurship in good health. About 120 students of CSE attended the workshop and were enlightened with the meaningful information given to them
