CEIE has built partnerships, bringing comprehensive resources and services in these key areas:

- Standard Subjective Advanced Academic Learning Programs
- Self-Paced Learning Management with LMS
- Work Based Learning Placement (WBL)
- Internship Opportunities
- Apprenticeship Opportunities
- Innovation Training & Capability Improvement Programs
- Entrepreneurship Learning Programs and Launch pads
- Research Projects & Funding Assistance
- Career Mentoring
- Hands-on Occupational Skills Training (OST)
- Job Readiness Skills Training
- Sustainability

I. Purpose

The purpose of CEIE is to develop highly trained students and an involved community dedicated to educating each student in the 21st century, multi-ethnic, global economy.

CEIE needs Institution support in these key areas:

- Attending Monthly standing status meetings
- Conducting Internship / Apprenticeship Campus Drives
- Providing required infrastructure as mutually agreed
- Career Mentoring – Staff Engagement support
- Work Based Learning Schedule Co-ordination
- Mutual Funding & Student Co-ordination in Participation
- Representation & Reciprocation with Valuable Feedback
- Cross Engagement Support during the need
- Talent Identification and Program Enrolments

Sri Lanka Institute of Technology
(Brabimpatnam, R. R., Dt. -90) &

CEIE's goal is to offer multiple educational and career pathways that help participants' transition into employment or post-secondary opportunities, such as higher education, long-term occupational skills training and/or apprenticeship.

Vermac Labs seeks to support the CEIE goals by agreeing to work together to accomplish the following goals: All signing parties agree with and support the **Institutional Improvement and Student empowerment initiatives**, which strongly aligns with the CEIE vision for **SCIENT Institute of Technology**.

II. Core Elements of the SCIENT Institute of Technology

- **Integrated Academic and Career-Focused Learning:** Grants will provide students with education and training that combines rigorous academic and career-focused curriculum to increase students' employability in in-demand industries and prepare them for employment, post-secondary education, long-term occupational skills training, or registered apprenticeships.
- **Work-Based Learning and Exposure to the World of Work:** Strong partnerships will provide work-based learning opportunities. In addition to actual work experience, youth participants will also participate in field trips, job shadowing, or other types of opportunities that provide students with exposure to different career paths and prepare them for the world of work.
- **Robust Employer Engagement:** Employer partners will provide work-based learning and mentoring, creating a path for students to in-demand industries and occupations including those in information technologies, advanced manufacturing and other science, technology, engineering and math (STEM) fields. Employers will also work closely with schools on professional development and training for staff to drive the sustainability of the program over the long term.

PRINCIPAL
Scient Institute of Technology
Ibrahimpattam, R. R. Dt.-501 46

- **Individualized Career and Academic Counselling:** As an integral part of the program design, students will be provided with individualized career and academic counselling experiences to strengthen their career and post-secondary awareness and explore opportunities beyond high school.
- **Integration of Post-secondary Education and Training:** Students will participate in education and training, while they are still in high school that leads to credit toward a post-secondary degree or certificate and an industry-recognized credential, where appropriate.

III. Responsibilities of Parties

All Signing Parties agree and understand the following:

1. **Vermac Labs, SCIENT Institute of Technology (CEIE)** will administer the Grant as fiscal agent and oversee all Implementation Grant activities and adhere to all guidelines for grant utilization given by the grantor and the Vermac Labs.
2. Each signing party is committed to sharing project data and measures of progress on indicators with each other and with evaluators, within all applicable rules and regulations protecting individual rights.
3. Each signing partner is committed to assisting with developing an effective sustainability plan that will a) focus on professional development during the grant period (b) a plan that outlines how the program will be designed to build capacity and continue to provide the same level of instruction and support to participants whose participation will extend beyond the grant period.

V. Period of Performance

The period of performance is 2 year for performance Improvement and 3 years for student empowerment Planning Grant with an anticipated start date of April 1, 2018. This performance period includes all necessary implementation and start-up activities, with a nine-month planning and implementation period for grantees starting programs in the academic year 2018.

Dear Sir/Madam,

CSIR-National Geophysical Research Institute (NGRI) will be organizing an **OPEN DAY** on **September 26, 2019, Thursday**, to commemorate the CSIR Foundation Day, as well as to celebrate the India International Science Festival - 2019, a national effort to inculcate scientific awareness. The main objective of this endeavour is to sow the seed of scientific temper in the impressionable minds of the enthusiastic children of today. On this occasion, our laboratories and observatories will be kept **OPEN FOR THE PUBLIC from 10:00 am to 4:00 pm (Entry closes strictly at 2:30 pm)**. During the course of events, the researchers of our institute will interact with the visitors and familiarize them with the ongoing Research and Development (R&D) activities of the institute, ably supported by live demonstrations on various geophysical/geological aspects.

On behalf of The Director, CSIR-NGRI, I take pleasure in extending a special invitation to you, your staff and students to pay a visit to our esteemed Institute on this special day. It is requested that you send the students from class VIII and above only with ID cards, pen and a workbook. A list of **students who have received recognition at the state or national level (in science subjects) in their respective classes and Innovative Science teachers** is also solicited.

Lunch boxes, bags, cameras, water bottles, mobiles, laptops etc will not be allowed inside the Institute premises. Parking of private vehicles, School Buses etc will not be allowed inside the campus. Please confirm your participation by **23rd September, 2019** through a letter/email/phone (information@ngri.res.in/ngriinformation@gmail.com) to the undersigned, giving specific details of the number of students, teachers accompanying them and the coordinating person's name, mobile and email address. Confirmation may also be provided online by visiting our website (www.ngri.org.in) and **register at the link** <https://rectt.ngri.res.in/SchoolRegistration> (Link will be activated from 18-09-2019)

Thanking you,
