## MEMORANDUM OF UNDERSTANDING (MOU)

THIS AGREEMENT is entered into on this 12th Day of August 2021 ("12-08-2021") by and between Electronics & ICT Academy at NATIONAL INSTITUTE OF TECHNOLOGY, Warangal (E&CT-NITW), with offices at Floor 1, C-Block, National Institute Technology, Warangal -506004 ("Academy"), which is an initiative Ministry of Electronics & Information Technology, Government of India, New Delhi.

And

**SCIENT INSTITUTE OF TECHNOLOGY**, located at Ibrahimpattam, Hyderabad, Telangana, is approved by AICTE, New Delhi & affiliated to JNTU, Hyderabad. **SCIENT INSTITUTE OF TECHNOLOGY** is a Higher Educational Institution committed in providing a holistic environment to their students for a greater learning & competency.

Whereas, Academy organizes various programmes to improve the quality of teaching, quality of education in the areas of Computer Science & Engineering, Electronics & Communication Engineering and Electrical and Electronics Engineering.

Beneficiary Unit wishes send its faculty/personnel to attend Faculty Development programmes with the aim to improve their quality of teaching and also the quality of education they impart through their academic programmes to the students enrolled in.

NOW THEREFORE, the Beneficiary Unit agrees to the following terms and conditions of the

Academy and shall sign this Agreement, in acceptance of the terms and conditions of the Academy as set out hereunder.

### **1. GRANT OF PERMISSION.**

Subject to the terms and conditions of the Agreement, Academy grants to the Beneficiary unit, a non-exclusive, non-transferable number of seats, to participate in the Faculty Development Programmes (FDPs) to be offered during one year from the effective date of this agreement. Beneficiary Unit can send any number of participants subject to total number of seats consumed

in a year from the effective date is within the limit of its granted number of seats. All such participants sent by Beneficiary unit need not pay registration fee prescribed for those FDPs and can avail all the benefits offered by the coordinator of FDP to any other participant who pay registration fee as individuals. Beneficiary Unit can send a faculty/person to attend any number of FDPs, but however each time that a faculty/person attending a Fop will be counted as a seat consumed by Beneficiary unit. However, it cannot transfer its granted seats to any other institute/college/University or even to any other college/institute/university of their own management/administration located at a place different from the address of the Beneficiary Unit. In case, Beneficiary Unit is a member of group of institutions or in chain of institutions owned by same Management/administration and that Management/administration is interested to extend the benefits to their other institutes located at different locations, each such institute should sign an agreement with the academy. Here, the "institutes located at different locations,, means the institutes set up at different towns/cities/villages. However, two or more institutes owned by the same management/administration and located in the same town/city/village will be treated as a Beneficiary Unit. Total number of seats granted to a Beneficiary Unit will be lapsed on 366th day from the effective date of this agreement and any number of seats unutilized by Beneficiary Unit will be not be carried over to the next year. Beneficiary unit can send their faculty/personnel to a FDP if its start in date of FDP is within 365 days from the effective date.

## 2. CONSIDERATION

- a. Beneficiary Unit should have paid the Annual Fee.
- b. Annual fee is fixed as follows for a year from the effective date and it includes registration fee to be paid by the participants from that Beneficiary Unit subject to total of seats benefitted in a year from the effective date is within the limit of its granted number of seats.

## 3. GRANTED SEATS

Beneficiary Unit agrees to note and avail the number of granted seats by sending their faculty/personnel to attend FDPs organized by E&ICT-NITW at various locations including at Warangal and including at the location of Beneficiary Unit. Frequently, E&ICT-NITW organizes FDPs at various institutes/colleges/Universities as joint programmes of host institutes and

E&ICT-NITW subject to certain terms and conditions. In case Beneficiary Unit comes forward and organizes FDP as host institute jointly with E&ICT-NITW, then Beneficiary Unit can allow its faculty/personnel to participate in such FDP and each participant will consume a seat granted as per this agreement. Any other subsidy/complimentary seats offered to the host institute organizing FDP jointly with E&ICT-NITW will be extended to Beneficiary Unit provided that Beneficiary Unit is the host institute of the FDP and such complimentary seats will not consume any granted seats.

## 4. OWNERSHIP

Faculty Development Programmes organized by E&ICT-NITW are owned by E&ICT-NITW and Beneficiary Unit should not consider as their programmes. However, any Faculty Development Programme (FDP) organized at an institute/college/university by E&ICT-NITW at any location other than NIT-warangal will be joint programme of that institute/college/university as host institute and of E&ICT-NITW subject to E&ICT academy's terms and conditions which are in no way related to this agreement. Beneficiary Unit is welcome to come forward to organize such FDPs as host institute and it is independent of this agreement.

## 5. PROPRIETARY RIGHTS

Beneficiary Unit is cognizant that E&ICT-NITW regards its Faculty Development Programs (FDps) as its proprietary activities and as confidential trade secrets of great value. Beneficiary Unit agrees not to advertise or publicize this agreement for the benefit of improving its brand name. This agreement does not entitle Beneficiary unit to claim as it is part of or partner of E&ICT-NITW. In no way E&ICT-NITW will directly or indirectly involve in the business or academic pursuits of Beneficiary unit. THE STAKE HOLDERS OR PROSPECTIVE STUDENTS OF BENEFICIARY UNIT SHOULD NOT BE LURED BASES ON THIS AGREEMENT.

## 6. TERM

The term or period of validity granted hereby is initially valid for a period of one year i.e. 365 days, from the date of signing this Agreement and it shall continue to extend validity for a year upon payment of Annual Fee in force at that time. Such extensions of validity can be made three

times based on this agreement. The granted number of seats is valid during the period of validity, unless and until terminated pursuant to Section 7 hereof and subject to Beneficiary Unit's proper performance of its obligations hereunder.

## 7. TERMINATION

E&ICT-NITW may terminate this Agreement if Beneficiary Unit is in default of any of the terms and conditions of this Agreement and fails to correct such default within ten (10) days after written notice thereof from E&ICT-NITW. Upon termination or expiry of the agreement, all unused seats on that day and time of termination automatically surrender to E&ICT-NITW. On termination, no amount will be paid back/returned by E&ICT-NITW to the Beneficiary Unit. E&ICT-NITW provides no material or no support to Beneficiary Unit after termination.

## 8. TERMINATION CERTIFICATE

In the event of termination, Beneficiary Unit will immediately discontinue use of granted seats within ten days after the termination of this Agreement. Beneficiary Unit will furnish to E&ICT-NITW A certificate, which certifies with unused seats at the instant of termination time automatically surrender to E&ICT-NITW. The provisions of Sections 4,5,8,11, and 13 here of shall survive any termination of this Agreement.

## 9. SUPPORT

E&ICT-NITW organizes FDPs of six days or ten days duration throughout the year in the areas of Computer Science & Engineering, Electronics & Communication Engineering and Electrical and Electronics Engineering. Normally, it has the objective goal of conducting around 60 numbers of FDPs in the above said areas put together. E&ICT-NITW will communicate information about these FDPs to Beneficiary Unit and also publish in its website at [www.nitw.ac.in/eict/](http://www.nitw.ac.in/eict/). Beneficiary Unit can look at the information and send its faculty/personnel as participants in such FDPs. However, E&ICT-NITW do not assure or guarantee the Beneficiary Unit to organize FDP in an area of Beneficiary Unit's choice or at its choice of location. Beneficiary Unit can always request E&ICT-NITW to organize FDP in a particular area of Computer Science & Engineering, Electronics & Communication Engineering, Electrical and Electronics Engineering but it is not binding on E&ICT-NITW to oblige such request and

Each student demonstrates strength of character and is college and career ready

## Memorandum of Understanding

### SCIENT Institute of Technology PERIOD: June 2021 – June 2022

#### I. Background and Introduction

This document defines the relationship of the **SCIENT Institute of Technology** and **Vermac Labs a Initiative of Team247 Informatics**. **SCIENT Institute of Technology** mission is that each student demonstrates strength of character and is college and career ready. CEIE vision is to develop a highly trained students and an engaged community dedicated to educating each student for a 21<sup>st</sup> century, multi-ethnic, global economy.

The Center's academic program is designed to provide its students with education and training that combines rigorous academic and technical curricula focused on specific in-demand industries and careers that will increase participants' employability in high-growth, in-demand occupations and industries and prepare them for post-secondary education as well as support the science, technology, engineering and math (STEM) industry related occupations.

**CEIE** has built partnerships, bringing comprehensive resources and services in these key areas:

- Standard Subjective Advanced Academic Learning Programs
- Self-Paced Learning Management with LMS
- Work Based Learning Placement (WBL)
- Internship Opportunities
- Apprenticeship Opportunities
- Innovation Training & Capability Improvement Programs
- Entrepreneurship Learning Programs and Launch pads
- Research Projects & Funding Assistance
- Career Mentoring
- Hands-on Occupational Skills Training (OST)
- Job Readiness Skills Training
- Sustainability

## **I. Purpose**

The purpose of CEIE is to develop highly trained students and an involved community dedicated to educating each student in the 21<sup>st</sup> century, multi-ethnic, global economy.

CEIE needs Institution support in these key areas:

- Attending Monthly standing status meetings
- Conducting Internship / Apprenticeship Campus Drives
- Providing required infrastructure as mutually agreed
- Career Mentoring – Staff Engagement support
- Work Based Learning Schedule Co-ordination
- Mutual Funding & Student Co-ordination in Participation
- Representation & Reciprocation with Valuable Feedback
- Cross Engagement Support during the need
- Talent Identification and Program Enrolments

CEIE's goal is to offer multiple educational and career pathways that help participants' transition into employment or post-secondary opportunities, such as higher education, long-term occupational skills training and/or apprenticeship.

**Vermac Labs** seeks to support the CEIE goals by agreeing to work together to accomplish the following goals: All signing parties agree with and support the **Institutional Improvement and Student empowerment initiatives**, which strongly aligns with the CEIE vision for **SCIENT Institute of Technology**.

## II. Core Elements of the SCIENT Institute of Technology

- **Integrated Academic and Career-Focused Learning:** Grants will provide students with education and training that combines rigorous academic and career-focused curriculum to increase students' employability in in-demand industries and prepare them for employment, post-secondary education, long-term occupational skills training, or registered apprenticeships.
- **Work-Based Learning and Exposure to the World of Work:** Strong partnerships will provide work-based learning opportunities. In addition to actual work experience, youth participants will also participate in field trips, job shadowing, or other types of opportunities that provide students with exposure to different career paths and prepare them for the world of work.
- **Robust Employer Engagement:** Employer partners will provide work-based learning and mentoring, creating a path for students to in-demand industries and occupations including those in information technologies, advanced manufacturing and other science, technology, engineering and math (STEM) fields. Employers will also work closely with schools on professional development and training for staff to drive the sustainability of the program over the long term.

- **Individualized Career and Academic Counselling:** As an integral part of the program design, students will be provided with individualized career and academic counselling experiences to strengthen their career and post-secondary awareness and explore opportunities beyond high school.
- **Integration of Post-secondary Education and Training:** Students will participate in education and training, while they are still in high school that leads to credit toward a post-secondary degree or certificate and an industry-recognized credential, where appropriate.

### III. Responsibilities of Parties

All Signing Parties agree and understand the following:

1. **Vermac Labs, SCIENT Institute of Technology** (CEIE) will administer the Grant as fiscal agent and oversee all Implementation Grant activities and adhere to all guidelines for grant utilization given by the grantor and the Vermac Labs.
2. Each signing party is committed to sharing project data and measures of progress on indicators with each other and with evaluators, within all applicable rules and regulations protecting individual rights.
3. Each signing partner is committed to assisting with developing an effective sustainability plan that will a) focus on professional development during the grant period (b) a plan that outlines how the program will be designed to build capacity and continue to provide the same level of instruction and support to participants whose participation will extend beyond the grant period.

## **V. Period of Performance**

The period of performance is 2 year for performance Improvement and 3 years for student empowerment Planning Grant with an anticipated start date of April 1, 2018. This performance period includes all necessary implementation and start-up activities, with a nine-month planning and implementation period for grantees starting programs in the academic year 2018.

## **VI. Amendments/Modifications**

From time to time, **SCIENT Institute of Technology**, CEIE and **Vermac Labs** may mutually consent to changes in the **Scope of Work** or any other aspect of this Agreement. Such changes shall be incorporated in written amendments to this Agreement and signed by the duly authorized representatives of all parties. This Agreement may be modified only by a formal, written modification signed by authorized representatives of the CEIE and **Vermac Labs**. All changes to the **Scope of Work** and/or any other aspect of this Agreement shall be agreed upon and mutually accepted via contract amendments executed by the CEIE and **Vermac Labs**.

## **VII. Access to Applicable Records**

**Vermac Labs** agrees to preserve all its records for two (2) years after the completion of the grant under this Agreement and further that any specifically authorized representative of the CEIE shall have access to and the right to examine any directly pertinent books, documents, and records of **Vermac Labs** involving transactions related to this Agreement.

## **VIII. Right to Audit**

**Vermac Labs** agrees to give the CEIE through any authorized representative, the right to audit all records, books, papers, or documents related to the Agreement for up to three (3) calendar years after the completion of this Agreement.

## **IX. Publication of Results**

Should the parties to this Agreement decide that it would be advantageous to publish the

results of this cooperative undertaking, the determination of same shall be made jointly and agreeable to each party. Publication by either party shall give proper credit to the other party.

#### **X. Entire Agreement**

This Agreement (and all documents incorporated herein) constitutes the entire agreement between the parties with respect to the subject matter and supersedes all prior and contemporaneous agreements, representations, statements, negotiations, and undertakings, whether oral or written.

**IN WITNESS WHEREOF**, the CEIE and **Vermac Labs** have executed this Agreement as of the date written.

## SUMMER INTERNSHIPS

### Internship Completion Certificate

Date: 17-04-2022

To whomsoever it may concern,

We are glad to inform you that “**NEHITHA SINGAM**” has been pursuing a 4 weeks Remote internship on “Python” starting from 14-03-2022 to 17-04-2022. We hereby confirm that he/she has successfully completed the mentioned internship as part of GOAL STREET INTERNSHIPS.

During his/her Internship, he/she had worked under well-rounded mentors from the Industry for training in the particular discipline. Additionally, she has also played a crucial role in working on a live “**Implementation of Encryption over gmail communication**” project alongside fellow teammates to exhibit exemplary coordination and skill, and at the same time, was able to apply valuable knowledge and experience in facilitating the completion of the Project. The project, namely, “**Implementation of Encryption over gmail communication**” to the skills and knowledge obtained as part of her journey here at GOALSTREET

Internships have been a great opportunity for any student to learn experience and evolve as a better professional in this ever-changing engineering stream. We, on behalf of ACS Technologies Ltd., and Goal Street Team, congratulate and wish you a bright career.

All the Best

IAENG is a non-profit international association for the engineers and the computer scientists. IAENG has been found by a group of engineers and computer scientists from over thirty different countries. Our goals are to promote the co-operation between the professionals in various fields of the engineering and to cultivate an environment for the advance and development of the technology. Our objectives include:

- Promoting the interactions between the engineers;
- Advancing the application of engineering techniques from the academics to the industry;
- Facilitating the exchange of information and ideas among the engineers and scientists freely.

This letter is to certify that the above person is an IAENG member. For the information about IAENG Membership, please visit our website
