Report on “Strengthening the Core” Program

Date: 08.01.2022

A free fitness program was organized in the college gymnasium on the topic “**Strengthening the Core**” from **06.01.2022 to 07.01.2022**. The program was organized under the motto “**Fitness for All**” initiative in order to bring awareness about the importance of a healthy lifestyle among the students.

Core exercises are an important part of a well-rounded fitness program. They train the muscles in your pelvis; lower back, hips and abdomen to work harmony. This leads to a better balance and stability, whether on the playing field or in daily activities. Following were some of the activities conducted to relate to strengthening the core:

- Leg raises
- Crunches

The program was conducted smoothly and was a huge success as around 55 students actively participated in the session.
